Many Manly Holiday Picks

BY JACQUELINE PARRISH

As they're notoriously difficult to buy for, Anokhi has sorted through hundreds of fashionable products to bring you great gift ideas for the men in your life. Whether they're casual dressers, prefer the great outdoors or enjoy the finer things in life, we have the perfect mix of sharp, sporty, and stylish.

1. One of the few items that men can accessorize with, ties can take an ordinary suit from boring to brilliant. **The Tie Bar** has hundreds of reasonably-priced (\$15 CDN each), sharp-looking ties in every pattern, shade and colour imaginable.

2. This classic Black Vest (\$59 CDN) from **Joe Fresh** is a transitional piece. Wear on those cold winter days to stave off a chill or on those cool summer nights for a bit of added warmth.

3, 5. For a custom-tailored or off-the-rack shirt, high-end tailors **Spier & Mackay** create one-of-a-kind, to-your-measurement dress shirts (\$95 each or 3 for \$199 CDN) and ties (\$65 each or 2 for \$99 CDN). For a less-expensive, off-the-rack version, opt for **Joe Fresh's** Check Dress Shirt (\$19 CDN).

4. A gift that both you and your significant other will enjoy is the recently launched cologne *Iris Ukiyoe* (\$250 CDN) from **Hermès' exclusive Hermessence collection** (available exclusively at Hermès boutiques across Canada). With hints of orange blossom, iris, roses and an undertone of mandarin, this light, juxtaposing fragrance is a haiku for your senses.

6. Banking on the popularity of one of this year's biggest Hollywood hits, **French Connection's** silk screened Iron Man Whiplash T-Shirt (\$38 CDN) and Iron Man Fire T-Shirt (\$38 CDN) pay a stylish homage to the comic book character that has spurred millions of dollars.

7. For the athletically-inclined who don't allow cold temperatures to slow them down, **Drymax** has invented a line of non-blistering running socks that keep out dampness; **Drymax Cold Weather Running Socks** (prices vary).

8, 10. If he's a banker by day and rocker by night, his everyday wear doesn't necessarily need to be drab; the Skull Cuff Links (\$214 CDN) and Sheriff's Badge Necklace (\$289 CDN) from jewelry designer **Thomas Sabo** add just the right amount of sharp-edged style to a conservative outfit.

9. A rugged take on the traditional briefcase, the Oily Finish Briefcase (\$199 CDN) from **Danier Leather** merges practicality and masculinity to provide a modishly-weathered satchel; the rich leather finish makes for a timeless carry-case.

11, 12. The fly-button, Grey Wash Slim Denim (\$98 CDN) jeans from **French Connection** are hipster heaven. Pair them with either the Studded Detail Leather Jacket (\$549 CDN) or the Hooded Leaded Jacket (\$499 CDN) both from **Danier Leather**.

13, 15. Perfect for keeping ear-biting cold at bay, the fur-trimmed Aviator Hat (\$145 CDN) from **Canada Goose** is a winter wardrobe essential. For those who prefer to go furless, the Military Hat (\$14 CDN) from **Joe Fresh** is a simple, chic chapeau.

14. There is nothing more heartwarming than giving or receiving a gift that benefits a great cause. Cue the Polar Bears International Chilliwack Bomber (\$545 CDN) (men's) from **Canada Goose**. For every Polar Bear Bomber that is sold, **Canada Goose** donates \$25 to the International Fund, which is focused on saving the declining polar bear population.
