mango & turquoise Having a beach party? This resorty combo adds major splash to attendants' finery.

For the maids, choose a hot-hued gown of gathered chiffon that flows over an array of figures. The Empire-waist frock features a V-neck; about \$225, Belsoie. Earrings, about \$75, Givenchy.

Guys should keep it light on location. A wheat-colored chino suit, paired with punchy accents, is sartorially sunny. Three-button suit, J. Crew. White shirt, Thomas Pink. Turquoise tie, The Tie Bar.

Fiery frocks demand fierce accessories, like these glamorous gold-toned extras. Multistrand beaded cuff, about \$163, Kenneth Jay Lane. Sequined minaudière, about \$168, BCBG Max Azria.

FRIENDS & FAMILY

A dazzling arrangement of orange roses, red nerines, and mokara orchids stands up to vibrant Day-Glo turquoise; bouquet, about \$250, Belle Fleur, NYC. Necklace, about \$148, Roberta Chiarella.

The flower girl is a tangerine dream in a darling dress that cools down a tropical palette. Silk-organza is gathered in a layered skirt and forms a bateau-neck bodice with a floral sash; about \$270, Jenny Yoo.

She's bright-on in a strapless turquoise chiffon gown, perfect for a seaside formal; about \$178, Alyce Designs. Barrette, about \$78, Roberta Chiarella. Ring, about \$46, Givenchy. Turn to Shopping Guide.
