ON THE CAST OF  
'COMMUNITY'

★  
**Took the reins:** 2009, New York City  
**Designer:** Michael Bastian, 45

**The aesthetic:** The beloved American heritage brand gets a pick-me-up from one of the marquee interpreters of American style. The result is classic sports-influenced preppy (madras, rugby shirts, navy blazers) updated with bolder patterns and colors and slimmer fits.

**Every man should own:** "A pair of five-pocket cords. They work with everything, and you need to give your jeans a rest. Sometimes there's a little too much denim static out there."

**Fashion pet peeve:** "I'm ready for the whole stylist phenomenon with celebrities to go away. People always ask, 'Whose style do you admire?' Well, it's hard to say, because I don't think we're seeing personal style; we're seeing hired style."

**Inspiration:** "No one has more style than a New York City 7-year-old. I live next to a school in Greenwich Village, and it's always so cool to see the parents walking their kids to school, because it's two moms or two dads, mixed-race families, and you can see that the kids are just allowed to be themselves and pick their own clothes in the morning."
