Electrify the Flannel Suit: Three Ways to Wear It with 'Tude

The gray flannel suit? Kinda simple—and that's always been the whole idea. But we like how it plays once you build all the modern trappings around it. These are our three favorite ways to give your grays a swift kick in the seat.

THIS IS THE ARTISTE
approach to

Know This Knot

It's very Englishman-at-university: the slipknot. Fold a striped scarf in half, hang it over the back of your neck, and thread the tails through the loop. Keeps you warm enough to skip the coat, and God knows we could all stand to look smarter.

GO FOR
a long scarf
so you have
enough length
to nail it.
