HER TOMBOY-SEXY LOOK

"I love wearing a strong lip, and I feel like you don't have to wear that much makeup when you have one," says Gomez. She's right. Coleman paired this eye-catching scarlet—to avoid looking dated, she suggests trying a red that pops against your skin tone—with only a coat of mascara on Gomez's top and bottom lashes. Try Lancôme L'Absolu Nu Lipcolor in Red Chiffon, \$29, and Hynpôse Doll Lashes Mascara in So Black!, \$25, both at lancome.com. Shirt, Dolce & Gabbana; pants, Philosophy di Alberta Ferretti; tie, The Tie Bar; ribbon (worn on wrist), M&J Trimming.
